About Groupe Gorgé

Established in 1990, Group Gorgé is an industrial group operating in three areas of expertise:

Smart Safety Systems – Using technology to work in risk environments.

Protection in Nuclear Environments – Protecting people and securing buildings operating with radioactive materials

Industrial Projects & Services – Conducting industrial robotics and fire protection projects for industry and service-sector players.

3D printing – Supporting leading industrial companies in their innovation and production processes by offering systems, 3D printers and new premium materials.

In 2013, the Group reported revenue of €214.5 million. It is backed by 1,300 employees and operations in around ten countries
